

WAYSHOWERS COMMUNITY FELLOWSHIP

June 1, 2015

Dear WCF Member and fellow Wayshower,

As we approach our annual **WCF Board of Directors Meeting (July 5, 9 am)**, the **WCF Executive Board Team** wants to thank you for your energy and involvement, and encourage you to continue on in support of the unique goals and service provided by **Wayshowers Community Fellowship**.

This past year, the **Executive Board Team** has re-energized a passion and focus of this powerful non-profit organization. We have clarified a bigger picture of how much **potential** WCF has, and how we can back you to fulfill your purpose and to be of service to 4% of the world's population. Along with our sister organization PCCI (which represents the first fully organized spiritual tradition under the WCF umbrella), Tiger Coll has clarified that WCF has a mission to help reach 50% of that 4%!

Spirit is prepared to back this organization to back **you** the **wayshower** with tools and support. Expand your voice in sharing the message of spiritual freedom; have a greater understanding of the spiritual traditions of your apprentices from around the world; and expand your leadership opportunities.

Here are some of the WCF projects and initiatives that have been energized:

- refining the **WCF Mission/Vision** and initiating plans to **upgrade the WCF website**
- clarifying the unique **Benefits of WCF** to our Journeymen leaders
- refining our **WCF Leadership brochure** and creating a **WCF Brochure for the public**
- initiating 2 successful **Interactive Webinars** to leaders from around the world (*with a 3rd in June*)
- introducing an expansion of our **Weekly Spirit Call** to give opportunity to PCCI leadership
- defining our **sponsorship** services, including a greater focus on backing leaders with **Astro-Soul Program** services and programs, and support for the **Operation Action Program**
- expanding our **OA Youth Scholarship Fundraising** to provide 4 scholarships to youth (we have already received **4 applications** for this year's **OA Summer Camp Week** program!)
- reorganizing our **Financial Budget** with our Bookkeeper for clearer records and reports.
- providing 3 **Spirit Is Our River** publications (*with the Summer issue due by June 30*) as an environment for leaders to share their wisdom and inspiration.

This is the first year of a 3-Year Plan Spirit initiated for **“Evolution Revolution”** on planet earth. We are still unfolding the 2014-15 energy of **Investing Continuity**. Everything you do as a leader is an investment in yourself and YOUR continuity.

I want to encourage each of you to join us for the **WCF Board of Directors Meeting** on **July 5**. Send us your ideas and **Proxy Form** if you cannot physically attend. **Renew your membership**, or if you feel motivated, expand your membership to apply for being on the **WCF Board of Directors**. Make a donation to the **OA Youth Fund** so we can provide full scholarships to at least 4 worthy “Growing Executives of Tomorrow.”

If you have a leader in mind you would like to nominate for **WAYSHOWER OF THE YEAR**, please send us the name and why you chose them to president@wcfworld.org.

We welcome your unique spiritual thrust and purpose in helping WCF expand its focus and service this next year. Your insights, inspiration and ACTION will make a difference! Spirit flows with the energy of enthusiasm and positive teamwork. Let’s do this together!

In the spirit that unites us!
