

# WAYSHOWERS COMMUNITY FELLOWSHIP

June 1, 2013

Dear Fellow Wayshowers,

**You are invited to renew your membership and attend the WCF Annual Meetings – the Annual Meeting of Members and the WCF Board Meeting July 6th, 2013 at 9am in Osceola, Iowa at the International Conference Center.**

As a Wayshowers Community Fellowship Corp. Board Member or Corporate Member, your **commitment** builds greater joy, awareness, and inspiration in our world. Your **involvement** supports WCF's purpose, goals and services both energetically and financially.

**WCF will mark Thirteen years in existence in 2013!** Almost 2 cycles! This organization is a unique partner with PCCI, IPMI and ALC, supporting individuals' spiritual lives and creating understanding among world faiths and cultures. Our opportunity is to understand the spiritual message of different faiths and to hold the world in a unifying light. Where WCF grows in the years to come is up to its members and leaders. Spirit has charged us with reaching 2% of the world's population with our message of unity and understanding.

**Join in the WCF leadership team this summer to set WCF's direction and select officers for the coming year. Enclosed is a renewal form to update your dues pledge. Each of us needs to be current in our board pledge or membership dues in order to vote. If you cannot be in Iowa, please send your proxy (form enclosed).**

We plan to have the opportunity for you to attend via teleconference if you cannot attend in person by calling: 218-339-3600 pin 167201. Please communicate in advance if plan to attend by this method by emailing [president@wcfworld.org](mailto:president@wcfworld.org) by July 5<sup>th</sup>.

Let's Act with the Spirit That Unites Us!

With joy,

Kathleen Ellis

President
