➤ **Nominate a Wayshower of the Year**

One of the purposes of WCF is to strengthen the way-shower in each person. In this respect, each of us is a way-shower every day simply by being ourselves. Spiritual leadership is expressed by those who are not looking to shore up their importance but who have a strong love, inspiration and desire to share themselves, thereby being a catalyst for others to find their unique path. WCF annually recognizes one individual who has touched the lives of others with his/her uniqueness and service.

Everyone (WCF members or non-members alike) is invited to nominate a Wayshower of the Year who will be selected at the annual meeting by voting members in attendance.

Email your nomination with a brief description and contact information to president@wayshowerscommunityfellowship.org or fax to 866-591-5163 to arrive no later than June 15.

Worldwide Meditation

Meditate on Purpose and Wholeness

We have an opportunity to meditate on spiritual purpose and solutions in the bigger picture, tapping into the backing of the WCF angels to send inspiration and a feeling of oneness around planet Earth, especially to all elected leaders in the world (local, state or province, and national). They have a unique opportunity to serve; also, they encounter many pitfalls. We are all in this lifetime together so why not share consciously a “live and let live” and “one with all” feeling with those who are in opportunities that affect many others? We would love to read your experiences in world meditations.

It's the Spirit that Unites,

Kathleen
